۸	<p>متن زیر را بخوانید و به سوالات آن پاسخ دهید.</p> <p>The world around us is full of great things. Knowing this world is very interesting for humans. One group of people who study the world are scientists. They work hard and try to solve problems and find facts. They learn about the world by observing and searching. Some scientists become very rich and famous. Many people around the world may remember their names, faces and inventions. But this is not what they call 'success'. The key to their success is their hard work, belief in themselves and never giving up. There are great stories about scientists and their lives. One such a story is about Thomas Edison. He was very interested in science. Sadly, Edison lost his hearing at the age of ۲۱. He did not attend school, but he never lost his interest in science and making things.</p> <p>۱) Humans are interested in knowing the world. a. True b.
